

Pastured Pork

**Heritage Breeds: Berkshire, Hampshire, Yorkshire, Duroc, & Old
Gloucestershire Spots**

Vacuum Sealed Packaging

All of these cuts are in Limited Supply

Our pigs are raised in our woods and pastures. They eat acorns, walnuts, hickory nuts, wild berries, and a natural combination diet including pasture grazing and rooting. We include organically sourced kale, alfalfa, corn, oats, wheat grass, and barley in their diet for additional nutrition. We give our animals No Antibiotics, No GMO, and no artificial growth hormones /or chemicals. We have been Sustainably Farming Since 1969.
